Dear friends,

Greetings to all of you and best wishes on the start of the new financial year. These are the times when one should introspect, strategize to do better, and plan to accomplish more. Along the same lines, the AoP exercise was conducted this year under the supervision of Mr. Aditya Shah.

March month, as per the seasonality trends and business cycle, is one of the best months of the year and we did ever highest business in the month at both V-Trans and V-Xpress, my congratulations to the team. I am sure, that now with the better external scenario, aggressive planning for the next year, and momentum picked up in the business, the team will not only achieve but will surpass the budgeted numbers of the financial year 2022 - 23.

Our company is at a very crucial point, from where we are ready to ascend to the next league. We have set the foundation right, we have the technology, team, process, and presence. Now, all we need is the extra efforts to pull up for aggressive growth henceforth. This year is witnessing a transformation in our company, more internally, where the basics are set right and major projects have been launched to support the growth targets. There is a big push on technology, Training & Development. Both areas are very crucial for the future of a growing company.

All our verticals are set for a major forward leap. At V-Xpress Mr. Aditya Shah and Mr. Rajiv Bhattacharya are aiming for aggressive growth. We are sure that V-Xpress will soon join the league of top express players in the country. With the leadership and strategy of Mr. Rajesh Shah & Mr. Ronak Shah, V-Logis is all set to move to the next level of growth, Our Chemstore being the shining armor. V-Trans is a leader in the PTL segment and we are

enhancing the overall customer experience, with the support of processes, technology, and better infrastructure. Supporting the group, we have the best in the industry fleet vertical, which has created new benchmarks under the able leadership of Executive Director Mr. Hasmukh Shah.

Let us all hope, plan & strategize, and ensure that we have the numbers surpassed.

Sound leadership & management, a highly talented, skilled, hard-working, & motivated team, service excellence, and a great brand image, are the key ingredients, which would enable success for an organization. We have a proud possession of all of these. In this issue, we are highlighting the foundation stone, which are the basic requirements for an enterprise for sustained growth.

At V-Trans, we have 4 strong pillars like the 4 wheels of a vehicle, which are idealistic and have been imbibed in our DNA, assuring us of long-term success. In this issue, we have covered our impactful statements of Core Purpose, Vision, Core Values & Quality Policy.

This is a special designer issue with key content, hence adding to the digital copies we have also printed this issue and have shared it with our regular readers.

Best Wishes,
Mahendra Shah

'Powering logistics' Our bespoke ERP

We have mentioned in earlier articles about the importance of an ERP and the difference it brings to any organization. We have also highlighted how the ERP is going to give us more edge, better efficiency, and error-free operations. In this issue, we are covering the core team that is working relentlessly since September'21 and ensuring that no stone is unturned to perfect the best-in-class ERP, VIJAYANT.

Mr. Viral Shah

Mr. Vishal Shah

Mr. Aditya Shah

Under the broader guidance of MD, Mr. Mahendra Shah, the young team from the management has taken this project to the heart. They are completely engrossed to make Vijayant a grand success. The core team working on the project is covered in this article.

Mr. Vishal Shah and Mr. Sanjeev Jain are the project sponsors. At the driving seat, we have our IT director for the group, Mr. Viral Shah, who is the project director. He is guiding, mentoring, overseeing, and steering the whole process centrally. He is the central control point for all verticals and functions of the group and the ERP. Mr. Aditya Shah will play the critical role of the Change agent lead, with helping and mentoring the team across for aligning with the new system and supporting in the journey of change with the new ERP, "Vijayant".

Mr. Sanjeev Jain

Mr. Lovesh Bhagchandani & Mr. Kaushik Maru are the project managers and the key contact persons. They are coordinating with the whole group for overall requirements and communication with Deloitte, ShipX and Oracle.

Our head of finance and accounts Mr. Ashok Nayak is the business process owner. The IT function head of the group Dr. Sandeep Patil is the Solution Architect. Mr. Joydeep is the technical lead for the project and our expert in integration, coding, and technical stuff.

THE TEAM BEHIND - VIJAYANT

Various departments are constantly involved in the specific part of the discussion, from Finance & accounts at the group level Mr. Ashok Nayak is there and along with him, there is Mr. Mayur Sanklecha and Mr. Lovesh Bhagchandani, for V-Xpress and V-Trans, respectively. Mr. Ravi Dogra is in-charge of V-Trans operations and is playing an instrumental role and giving inputs for operation function. Mr. Pradeep Dave is explaining in detail, what could be the best additions in Vijayant from the CCD perspective for V-Trans. Mr. Rajiv Bhattacharya is helping with his expertise and experience for some key inputs and the overall V-Xpress part, along with his team. Ms. Shilpa Chapukar, our HR head will play the role of the training lead and will oversee that all the training needs for the project are delivered appropriately. We have already started training for the focused group for the Train The Trainer part, however, going forward this will happen on a much larger scale.

Before implementation, there will be a crucial part of doing the test run and confirming that all things are working perfectly and that the requirements of all users are accommodated, to complete this part, we have nominated Mr. Ashok Nayak along with Mr. Mayur Sanklecha and Mr. Lovesh Bhagchandani as the Test Leads.

We cannot emphasize enough, how Vijayant is really going to provide a platform for the next level of experience to all stakeholders and will help in offering error-free, automated, and enhanced services.

OUR FOUR PILLARS - CORE PURPOSE

Purpose: A purpose statement is a very powerful motivator; it answers the question of the very reason of the existence of an organization. The better the purpose statement, the better are the results.

A **PURPOSE** statement answers **WHY** we exist.

The graphic features a large, stylized sunburst at the top. Below it, the words "CORE PURPOSE" are written in large, bold, blue capital letters. To the right of the text is a white V-TRANS truck with a blue logo. Below the truck, a horizontal band of blue gears is visible. The main body of the graphic is a light blue circle with a white border, containing the following text:

We will be
**"ENABLER FOR BUSINESSES
BY BRIDGING DISTANCES"**
through technology-enabled, reliable logistic
services across India and SAARC having

Stretched and aggressive growth year on year

**Sustainability at the centre of all development
that we do at the organization level.**

WE WILL

Maximize the value of our shareholders through increased ROE

Create customer delight

Be a preferred choice for employees to work

Be recognized as an ethical, social and environment-friendly organization

At the bottom of the graphic is the V-TRANS logo, which consists of a stylized 'V' followed by the text "V-TRANS" and "Driving Excellence" below it.

OUR FOUR PILLARS - VISION

Vision: Vision is an augmented goal. It's progressive, long-term, forward-moving, and hence it's more than a goal. A sound vision motivates and gives direction to an organization to move forward.

A **VISION** statement answers **WHAT** we aim to achieve.

To be the most preferred
**INTEGRATED LOGISTICS
SOLUTIONS PROVIDER**
in India and SAARC Countries by the Year 2025

WE WILL ACHIEVE IT BY

- Adoption of Technology enabled logistic services
- Highest standards of customer service and experience
- Business Excellence for "Delivering the Promise" to all stake holders
- Performance driven culture and people centric organisation with a spirit of continuous improvement to enhance quality
- The core values which will be the guiding principle for all our actions

VISION

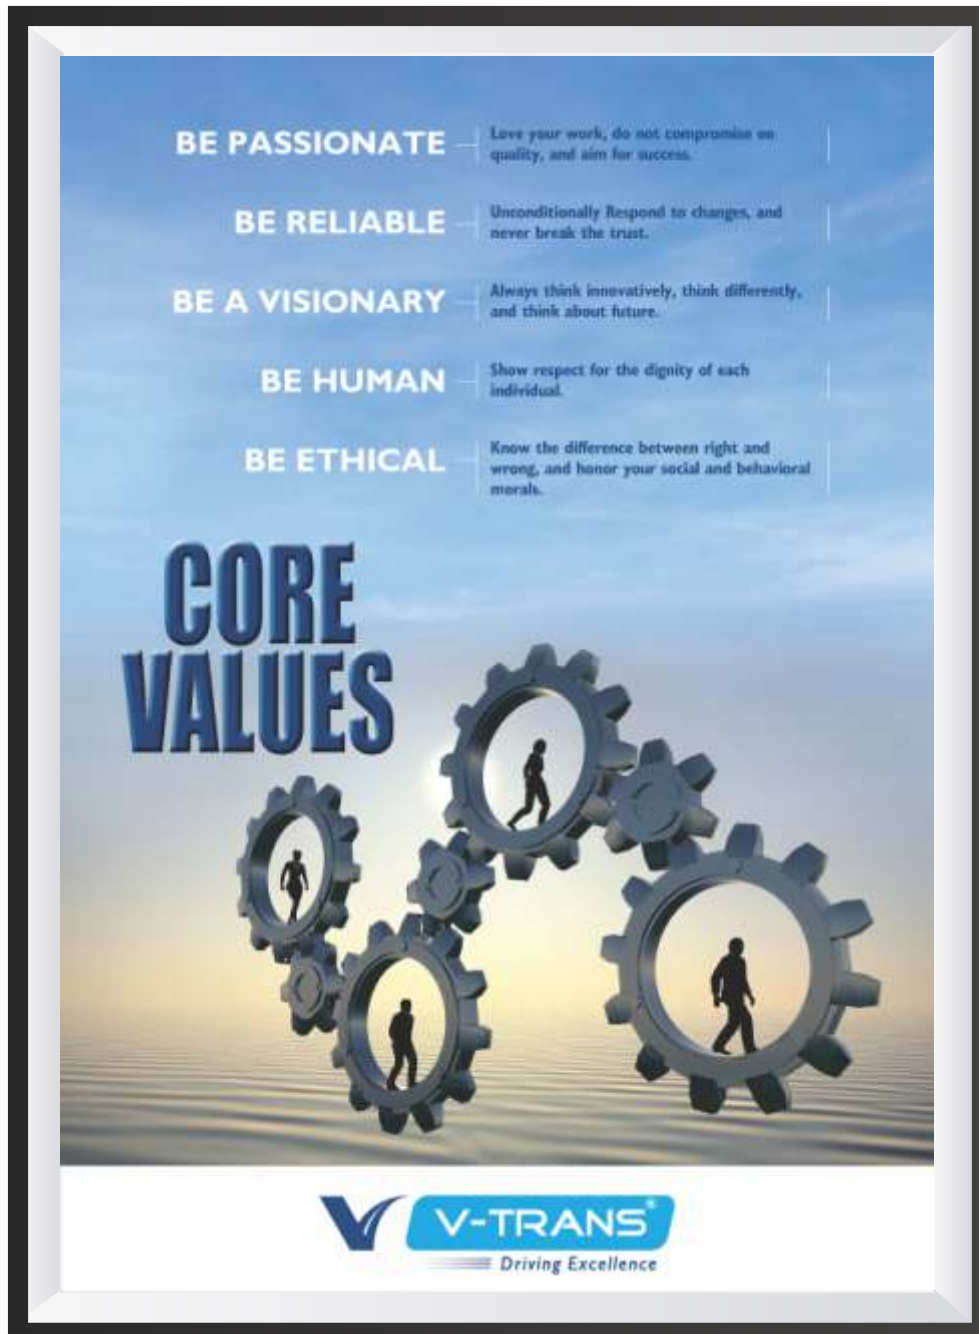

V-TRANS®
Driving Excellence

OUR FOUR PILLARS - CORE VALUES

Core Values: Values are imperative ideologies of an organization, which are accepted, recognized, and appreciated by all. A sound values system is harmonious to humanity and society. We are proud to have values that were imbibed in us, by our founders and have become an integral part of our DNA at V-Trans group.

Core values are a way through which everyone is aligned around a guiding philosophy to serve employees, customers, and the broader community.

A VALUE statement answers the **WAY we deliver work.**

OUR FOUR PILLARS - QUALITY POLICY

Quality policy: Quality is something that distinguishes a product, service-deliverables, and fulfills the expectations of the recipient i.e. clients.

Our tagline “Driving Excellence” shows our belief in and our commitment towards, delivering quality in everything that we provide to our clients, and setting the benchmark for the industry. ISO certificate (9001: 2015) for over last 15 years, is an acknowledgment of our pursuit of the path of quality excellence.

The quality policy provides a framework for quality objectives and includes a commitment to meet applicable requirements as well as to continually improve.

A QUALITY POLICY statement answers **HOW we deliver quality.**

ChemExpo India is positioned as a comprehensive showcase of Indian capabilities in the broad chemical industry. Exhibitors at the event came from the bulk, fine, and specialty chemical industries, and include Indian as well as international companies. It is an established and one of the most sought-after places to exhibit capabilities of Chemical manufacturing and logistics.

When it comes to handling Chemicals, the industry vouches for only one name – V-Trans. Our group handles chemicals like no one else, and with our deep expertise in the safe transportation of all types of chemicals, now we are up with the best in the class storage facility for Haz-Chem, “ChemStore”.

We exhibited our capabilities and what services we are providing as an integrated service provider. Many of our existing clients came up to our stall and shared their feedback and ideas on what they expect more from us. Also, we received numerous potential and prospective customers' inquiries to start logistics with us.

It was a great experience to interact with clients and business partners in person after a big gap.
