FROM THE DESK OF THE CMD

Dear Friends,

Warm greetings to each of you on the auspicious occasion of Diwali and the New Year celebrated last month. May the festival of lights bring good health, happiness, and prosperity to you and your families.

This issue of Vijay Path is being released on our company's Foundation Day a day that holds special significance for all of us. On this occasion, I sincerely appreciate every member of the V-Trans family: employees, drivers, business partners, vendors, customers, and all associates who continue to strengthen our organization in countless ways. Each of you contribute to our journey, and I thank you wholeheartedly.

The period leading up to Diwali is traditionally good for our industry, and September was a good month for us. However, our numbers fell short of targets and all-time peaks. We must intensify our efforts to reach our annual goals in the months ahead. Our group companies, V-Xpress and V-Logis, also reported positive growth and steady momentum, and the outlook remains strong for both verticals.

At V-Trans, we continue to drive transformation with a focus on strengthening sales effectiveness. With HR's support, our Branch In-Charges and frontline teams are being trained in modern sales practices and customer experience. The enhanced sales structure and new leadership give us confidence in achieving our growth and profitability targets.

We welcome Mr. Dhananjay Prasad (VP – Business & Vendor Development, FTL), Mr. Suresh Annavajhala (AVP – Sales, Sundry), and other senior sales leaders who, under the guidance of Mr. Vinayak Mullick, (for Sundry Sales), will bring renewed energy to our sales front. Their leadership will be pivotal in accelerating our growth and expanding our market presence.

The recent GST reforms announced by the government are a positive step for our industry and the broader economy. Rate revisions across consumer categories and reduced tax on essential services like insurance are welcome moves. The improved volumes during the festive period may be a result of these reforms, and we remain optimistic about sustained demand ahead.

The Shah family is known for its strong commitment to social causes and philanthropy, especially in the Kutch region. Their contributions often go beyond mandated CSR efforts. Recently, the promoter family and the directors were felicitated at the native village, Patri in Kutch. At the renowned Bidada Hospital, our Executive Director, Mr. Rajesh Shah, made a generous donation towards a naturopathy college named "Prabhav," in memory of his parents. The Shah family & V-Trans was warmly recognized as among the most generous supporters of the president award-winning award winning, Bidada Servodaya Trust.

As we continue our journey, let us remain disciplined in execution, focused on operational efficiency, and committed to service excellence. Supported by the legacy of trust built over decades, our collective efforts will guide us forward.

Wishing you and your families a joyful and safe Diwali, and a bright and successful year ahead.

Best Wishes,
Mahendra Shah

PEOPLE PROFILE

HOLISTIC HEALTH INSTITUTE "PRABHAV" AT BIDADA HOSPITAL

In an age where urban lifestyles have led to increasing challenges such as stress, pollution, and lifestyle-related ailments, the need for holistic, preventive healthcare has become more pressing than ever. Addressing this, the Bidada Servodaya Trust (BST) has established "Prabhav" a Holistic Health Institute at Bidada Hospital, Katch a first-of-its-kind initiative in Gujarat, focused on promoting wellness through traditional and natural healing systems. Affiliated with Kachchh University, the institute will soon launch diploma programs in Yoga, Naturopathy, and Nutrition & Dietetics, aimed at nurturing future wellness leaders through structured, one-year courses blending education, practice, and community health awareness.

As part of the commitment to community welfare and holistic well-being, Mr. Rajesh Shah, Executive Director, V-Trans (India) Ltd., made a generous contribution to support the development of this Naturopathy College. The inauguration event, graced by dignitaries including Mr. Vijay Chheda (Chairman, BST), Mr. Hemant Kumar (MD, BST), Mr. Bipin Gala (Director, Navneet Education), Mr. Praveen Chheda (MD, SPM Group), Smt. Malati Maheshwari (MLA, Gandhidham), and Shri Mohan Patel Vice Chancellor of Kachchh University, underscored a shared vision to promote sustainable and holistic healthcare. This initiative reflects V-Trans' ethos of giving back to society and its ongoing efforts to support causes that create long-term value for communities and the environment.

PATRI FAMILY HONOURS V-TRANS LEADERSHIP

Recognizing the spirit of leadership and contribution, the people of Patri Village(Shah family's native) felicitated the V-Trans (India) Ltd. leadership team along with their families and other well-known guests during a grand community event organized by Shri Patri Mumbai Mahajan and Shri Patri Visha Oshwal Jain Mahajan on 4th November 2025 at Patri.

The ceremony reflected gratitude and mutual respect between the community and the business fraternity. The celebration beautifully captured the Patri family's deep-rooted commitment to Seva (service), Sanyam (discipline), and Sahyog (cooperation) values that resonate strongly with V-Trans' own culture of integrity and collective growth.

Further adding to the spirit of giving, Shri Jagshi K. Shah contributed to the Sadharmik Bhakti Fund (a charitable fund supporting the welfare of fellow community members), while Shri R. V. Shah made a donation towards mediclaim support in memory of his mother, Late Smt. Prabhaben Shah. Additionally, other senior directors of V-Trans extended their contribution in memory of their father, Late Shri K. K. Shah, towards Skill Development Support, reinforcing the group's commitment to community upliftment and empowerment.

MOTIVATIONAL STORY

THE WIND AND THE SCULPTOR

At the edge of a busy town lived a sculptor named Rakesh. Every morning, he went outside his small hut to carve stones into beautiful shapes. But his working place was very windy. The dust always blew into his eyes, and the strong wind made his work harder each day.

The villagers often told him, “Why do you work here? Go to the other side of the hill where it is calm. You can work better there.”

Rakesh smiled and said, “The wind teaches me patience. It makes my hands steady and helps me improve.”

Many months passed. Then one afternoon, a big sandstorm hit the village. The roofs were damaged, trees fell, and many people’s art and tools were ruined. When the storm ended, everyone was shocked to see that Rakesh’s sculptures were still standing strong.

The people asked, “How did your work stay safe when everything else was destroyed?”

Rakesh replied, “I learned to work with the wind, not against it. The same wind that tested me helped me grow stronger.”

Years later, Rakesh’s sculptures were placed in parks, schools, and city squares. People admired their beauty and strength. But Rakesh always said, “The true art is not what I made with my hands. It is what life made of me.”

Moral: Life’s difficulties can make us stronger if we learn from them and keep going.
