LIGHT OF EXCELLENCE

Leading the way for nearly 7 decades

FROM THE DESK OF THE CMD

Dear Friends,

Warm greetings and best wishes to all of you on the auspicious occasion of Diwali, the festival of lights, hope and happiness, and our Foundation Day, both of which we celebrate in the same month.

This year, V-Trans completes 68 years of a remarkable journey. On this milestone, I feel deeply indebted to our founders for their vision, hard work and enduring values, which have laid a strong foundation for the organisation. I share this pride and happiness with my brothers, the younger generation of leaders, and all our colleagues and team members who continue to carry this legacy forward. Today, V-Trans enjoys a strong reputation as one of India's leading brands in part-truckload, express and 3PL services, built not only on operational excellence but also on an unwavering commitment to ethics, trust and values.

After several months of focused effort, growth is returning across our businesses, and October showed it clearly. All our verticals V-Trans, V-Xpress and V-Logis achieved all time high revenue along with a healthy bottom line. These results reflect the collective effort of our teams and the stronger fundamentals we have built together. The coming months have a trend of high business and we remain optimistic about December and months ahead. With this momentum, we enter the next financial year with a strong launch-pad and a target of around 20 - 25% growth, which will demand continued discipline, agility and a relentless focus on execution.

The external environment continues to present both opportunities and challenges for the logistics sector. Evolving global trade patterns, geopolitical uncertainties, fuel-price movements and changing customer expectations are influencing supply chains and operating costs. At the same time, the growth of e-commerce, quick commerce and organised distribution is creating new opportunities for efficient, technology-enabled logistics solutions. Our focus must remain on operational efficiency, service excellence, cost optimisation and building stronger customer relationships.

To further strengthen our leadership team, we have onboarded Mr. Mandar Babre as Chief Business Officer at V-Xpress. He will work closely with Mr. Aditya Shah to accelerate growth and take the business to the next level. We welcome him to the team and wish him every success.

This edition also highlights the recognitions received by V-Trans, along with key organisational events and important media interactions in Ahmedabad and Bengaluru. These achievements reflect the growing strength of our brand and the dedication of our people.

On a deeply personal note, we lost our beloved uncle and one of the founding members of the V-Trans Group, Shri Jagshi K. Shah our Jagshi Kaka on 14 October. His wisdom, guidance, compassion and philanthropic spirit touched countless lives and will remain an enduring source of inspiration for our family. Through his association with institutions such as Songarh Ashram, Bidada Hospital and various social and charitable organisations, he championed the cause of giving back to society, especially the underprivileged and the welfare of animals. His legacy of kindness, humility and service will continue to guide us.

As we celebrate Diwali and our Foundation Day, let us renew our commitment to the values on which V-Trans was built and continue working together towards a stronger, more prosperous future.

Wishing you and your families a very Happy Diwali and a bright, successful year ahead!

Warm regards,
Mahendra Shah

PEOPLE PROFILE

In this edition of People Profile, we feature Mr. Mukesh Kumar Gupta, Regional Manager – North 2 at V-Trans India Limited, who brings over 29 years of experience in the logistics industry. An MBA graduate, Mr. Gupta began his career at TCI Limited and went on to work with leading logistics companies, including Blue Dart, Gati, Spoton Logistics, and CJDARCL Logistics. Based in Noida, he leads a 150-member team, overseeing business and operations across Uttar Pradesh and Uttarakhand.

Mr. Mukesh Kumar Gupta & Family

Mr. Gupta believes that "Life is a journey without a map, and you have to find your own way to reach the destination." Known for his team spirit and result-oriented approach, he believes in teamwork, commitment, and continuously striving for better results.

On the personal front, his wife, Mrs. Preeti Gupta is a freelance editor and former English teacher. His son, Agnim Gupta, is pursuing a Master's degree in Computer Science (MS), while his daughter, Aaiyna Gupta, is pursuing a Bachelor of Pharmacy (B.Pharm).

Beyond work, Mr. Gupta values spending quality time with his family and believes that a strong family foundation and supportive relationships play an important role in life.

PARTNERS IN PROGRESS

Mr. Anand Babu K

A Partnership Built on Trust

In our Partners in Progress series, we recognise the valued partners who contribute to V-Trans' growth and operational strength. Mr. Anand Babu K began his association with V-Trans on 6 January 2010 and has completed 16 years of partnership. With a fleet of 17 attached trucks, he continues to support V-Trans' transportation operations, playing an important role in keeping goods moving and strengthening the service network.

"Driving with V-Trans has been a rewarding journey. I look forward to continuing this association with the same dedication and commitment."

V-TRANS HONOURED AT INDIA CARGO AWARDS 2026

The Indian logistics industry continues to evolve, with increasing emphasis on operational excellence, service reliability and customer-centric solutions. In recognition of its commitment and contribution to the sector, V-Trans (India) Ltd. was honoured with the Best Surface Logistics Company Award at the India Cargo Awards 2026, held on 14 October in New Delhi.

The award was received by V-Trans' senior leaders, Mr. Dhananjay Prasad, Vice President – Sales & Business Development, and Mr. Vikash Shekhar, Assistant Vice President – Northern, Eastern, Ahmedabad & Rajkot Regions. This recognition reflects V-Trans' continued focus on operational excellence, customer trust and collaborative growth, supported by the dedication of its people and the enduring confidence of its customers and partners.

V-Trans Group Honoured with Prestigious Awards

DURABLE CONNECT: BUILDING STRONGER SUPPLY CHAIN PARTNERSHIPS

Industry interactions play an important role in understanding evolving customer expectations and emerging supply chain trends. On 17 September in Delhi, Mr. Suresh Kumar, AGM – North, was invited to share his insights at India's Biggest Durables Supply Chain Conference & Awards, powered by Cargo Connect, on "Last-Mile 2.0: Speed, Experience & Cost in Perfect Sync."

The discussion highlighted the importance of balancing delivery speed, customer experience and cost efficiency to meet changing market demands. Such platforms encourage knowledge sharing and collaboration, offering valuable perspectives on building more reliable, efficient and customer-focused last-mile logistics solutions.

VYAPAR UTSAV 2026: CONNECTING WITH THE KUTCH BUSINESS COMMUNITY

V-Trans participated in Vyapar Utsav 2026, held from 2-4 October and organised by the Jain Youth Forum (JYF) in association with the Janmabhoomi Group of Newspapers. The event provided a valuable platform to connect with the Kutch business community, strengthen relationships and explore new business opportunities. The event was also attended by V-Trans' senior leadership, including Mr. Ashok Shah, Chairman Emeritus; Mr. Mahendra Shah, Chairman & Managing Director; Mr. Hasmukh Shah, Executive Director; Mr. Viral Shah, Executive Director; Mr. Nipun Gala, General Manager – Western Zone; and Mr. Ramnik Gala, Senior Leadership Team, reflecting the organisation's commitment to strengthening relationships and engaging with the business community.

Along with showcasing its core logistics services, V-Trans highlighted its Wedding Logistics Services, demonstrating how planned coordination and timely deliveries can simplify the movement of goods associated with wedding celebrations. The participation reinforced V-Trans' focus on building meaningful business connections, creating awareness of its diverse service offerings and understanding evolving customer requirements.

V-TRANS AT ET NOW MACHINIST GLOBAL MANUFACTURING SUMMIT 2026

Building resilient supply chains for global manufacturing

Reliable logistics plays a vital role in supporting manufacturing growth and business continuity. On 23 October 2026, Mr. Dhananjay Prasad, Vice President – Sales & Business Development, V-Trans, participated in a panel discussion on "Building Resilient Supply Chains for Global Manufacturing" at the ET NOW MACHINIST Global Manufacturing Summit 2026. The discussion explored supplier diversification, sourcing strategies, business continuity and India's growing role in global manufacturing networks, highlighting the importance of strong logistics partnerships, efficient connectivity and cross-industry collaboration in building resilient supply chains and supporting long-term business growth.

V-TRANS GROUP IN THE MEDIA SPOTLIGHT

Strengthening Regional Presence Through Network Expansion, Technology & Customer-Centric Logistics

V-TRANS HOSTS MEDIA INTERACTION IN AHMEDABAD

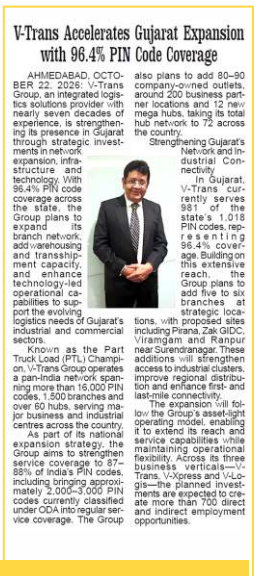

Strengthening Gujarat's Logistics Network Through Technology & Expansion

V-Trans conducted a media interaction in Ahmedabad on 22 October 2026, where our CMD, Mr. Mahendra Shah, discussed the company's growth plans and logistics capabilities in Gujarat. Key highlights included the planned 1 lakh sq. ft. Kheda hub for V-Trans and V-Xpress, 7 lakh sq. ft. of additional warehousing capacity planned by V-Logis, and proposed network expansion across the state. The interaction also highlighted how Vijayant ERP and the Operational Control Centre (OCC) support operational visibility and coordination, reinforcing V-Trans Group's commitment to serving Gujarat's growing industrial and business needs.

લોજિસ્ટિક્સ ક્ષેત્રે મજબૂત ગ્રોથ, વી-ટ્રાન્સ 25 ટકા ગ્રોથ નોંધાવશે

V-Trans Accelerates Gujarat Expansion with 96.4% PIN Code Coverage

AHMEDABAD, OCTOBER 22, 2026: V-Trans Group, an integrated logistics solutions provider with nearly seven decades of experience, is strengthening its presence in Gujarat through strategic investments in network expansion, infrastructure and technology. With 96.4% PIN code coverage across the state, the Group plans to expand its branch network, add warehousing and transshipment capacity, and enhance technology-led operational capabilities to support the evolving logistics needs of Gujarat's industrial and commercial sectors.

Known as the Part Truck Load (PTL) Champion, V-Trans Group operates a pan-India network spanning more than 16,000 PIN codes, 1,500 branches and over 60 hubs, serving major business and industrial centres across the country.

As part of its national expansion strategy, the Group aims to strengthen service coverage to 87–88% of India's PIN codes, including bringing approximately 2,000–3,000 PIN codes currently classified under ODA into regular service coverage. The Group also plans to add 80–90 company-owned outlets, around 200 business partner locations and 12 new mega hubs, taking its total hub network to 72 across the country.

Strengthening Gujarat's Network and Industrial Connectivity

In Gujarat, V-Trans currently serves 981 of the state's 1,018 PIN codes, representing 96.4% coverage. Building on this extensive reach, the Group plans to add five to six branches at strategic locations, with proposed sites including Pirana, Zak GIDC, Viramgam and Ranpur near Surendranagar. These additions will strengthen access to industrial clusters, improve regional distribution and enhance first- and last-mile connectivity.

The expansion will follow the Group's asset-light operating model, enabling it to extend its reach and service capabilities while maintaining operational flexibility. Across its three business verticals—V-Trans, V-Xpress and V-Logis—the planned investments are expected to create more than 700 direct and indirect employment opportunities.

CMD's Ahmedabad Interaction – Event & Media Highlights

V-XPRESS HOSTS PRESS MEET IN BENGALURU

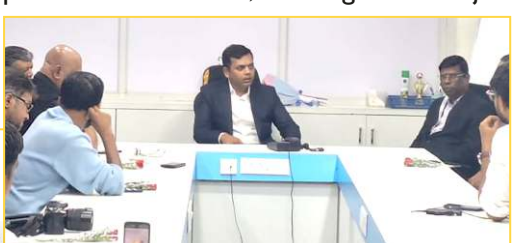

Strengthening Appointment Delivery. Expanding South India.

V-Xpress hosted a press meet in Bengaluru on 26 October 2026, where Mr. Aditya Shah, Executive Director & CEO – V-Xpress, and Mr. Mandar Babre, CBO, along with the Karnataka regional leadership team, interacted with local media representatives. The discussion highlighted V-Xpress' role as a Green Channel logistics partner to leading quick commerce companies and its Appointment Delivery service.

The service delivers a 90%+ service level through 40+ dedicated centres, handling nearly 10,000 tonnes monthly. V-Xpress aims to double volumes in the coming year, with 15+ new outlets planned in Karnataka, creating over 150 job opportunities.

Strengthening Quick Commerce Deliveries

V-Xpress is a certified Green Channel logistics partner to leading quick commerce companies, supporting the fast and reliable movement of goods to stores and warehouses. Through its Appointment Delivery service, V-Xpress ensures shipments arrive as per pre-confirmed delivery schedules, helping businesses avoid delays, manage warehouse receiving slots and maintain a smooth flow of goods. With a 90%+ service level, supported by 40+ dedicated centres and technology-enabled shipment tracking, V-Xpress continues to strengthen delivery reliability and support the growing needs of quick commerce and organised retail.

V-Xpress Strengthens Appointment Delivery for Quick Commerce Growth with a 90%+ Service Level

More than 40 dedicated centres support 10,000 tonnes of monthly deliveries, with plans to double volumes over the next year

BENGALURU: V-Xpress, the express cargo arm of V-Trans (India) Ltd, and a Green Channel partner to leading quick commerce companies, is strengthening its Appointment Delivery service to meet the growing needs of quick commerce and organised retail. With a 90%+ service level, the company helps businesses manage deliveries around pre-agreed dates and confirmed warehouse receiving slots.

V-Xpress supports suppliers with time-bound B2B cargo movement. Its Appointment Delivery service also caters to modern trade, retail chains and Canteen Stores Department (CSD) locations.

The service addresses a practical challenge for suppliers: a missed receiving slot can lead to waiting time, rejected consignments, penalties and delayed stock availability. By aligning shipment planning with confirmed appointments, V-Xpress helps businesses manage warehouse arrivals and keep replenishment schedules predictable.

Dedicated capacity for appointment-based delivery

V-Xpress supports its Appointment Delivery service through more than 40 dedicated centres with a combined storage capacity of 50,000 sq. ft. The company currently handles approximately 10,000 tonnes of deliveries per month through this service and plans to double this monthly volume over the next year. New touchpoints in the Narasapura and Dabaspet industrial areas will further strengthen access for local businesses.

Technology integration and shipment visibility

V-Xpress currently provides GPS-based tracking and last-mile shipment visibility to support its Green Channel partners. API integration with partner platforms is in the final stages and aims to improve shipment data exchange and visibility across delivery operations. Electronic proof-of-delivery (e-POD) provides delivery confirmation and supports the reconciliation of delivery records.

"Our Appointment Delivery service helps quick commerce and modern trade suppliers meet receiving schedules, reduce delays and keep goods moving efficiently," said Aditya Shah, Executive Director, V-Trans (India) Ltd and Chief Executive Officer, V-Xpress.

Growing network across southern states with more than 15 new outlets in Karnataka and 150+ job opportunities

Alongside its service enhancement, V-Xpress is strengthening its quick commerce presence across southern states, with more than 15 new outlets in Karnataka. These initiatives are expected to create more than 150 job opportunities across the region while bringing pickup and delivery services closer to businesses and industrial clusters.

The network expansion is being driven largely through Business Partners and includes Bengaluru, Bijapur, Gulbarga, Mangalore, Davangere, Sirsi, Bagalkot and Devanahalli, along with the Harohalli, Jigani, Hindupur and Bidadi industrial areas.

For students and individuals, the Box-N-Ship door-to-door service helps move personal belongings from hostels or campuses to hometowns, with competitive prices offered as part of a festival promotion. The service makes it easier to arrange the movement of belongings through a single logistics provider.

V-Xpress Strengthens Appointment Delivery Services to Support Quick Commerce Growth

DECCAN NEWS SERVICE
BENGALURU

V-Xpress, the express cargo arm of V-Trans (India) Ltd., is strengthening its Appointment Delivery service to support the growing requirements of quick commerce companies, organised retail and modern trade, reporting a service level of more than 90%.

The service enables suppliers to schedule deliveries around pre-agreed dates and confirmed warehouse receiving slots, helping reduce delays, rejected consignments, penalties and disruptions to stock replenishment. It also caters to retail chains and Canteen Stores Department (CSD) locations.

V-Xpress operates more than 40 dedicated centres with a combined storage capacity of 50,000 square feet. The company currently handles approximately 10,000 tonnes of deliveries per month through the service and plans to double the volume over the next year. New touchpoints in the Narasapura and Dabaspet industrial areas are expected to strengthen access for local businesses.

The company provides GPS-based tracking and last-mile shipment visibility to its Green Channel partners. API integration with partner platforms is in the final stages, while electronic proof-of-delivery (e-POD) supports delivery confirmation and reconciliation of shipment records.

"Our Appointment Delivery service helps quick commerce and modern trade suppliers meet receiving schedules, reduce delays and keep goods moving efficiently," said Aditya Shah, Executive Director, V-Trans (India) Ltd., and Chief Executive Officer, V-Xpress.

As part of its regional expansion, V-Xpress is adding more than 15 outlets in Karnataka, with the initiatives expected to generate over 150 job opportunities across the southern region. The network, driven largely through business partners, covers Bengaluru, Bijapur, Gulbarga, Mangalore, Davangere, Sirsi, Bagalkot and Devanahalli, along with the Harohalli, Jigani, Hindupur and Bidadi industrial areas.

The company also offers its Box-N-Ship door-to-door service for students and individuals to transport personal belongings from hostels and campuses to their hometowns. Competitive pricing is available under a festival promotion, providing a convenient logistics option for moving personal goods.

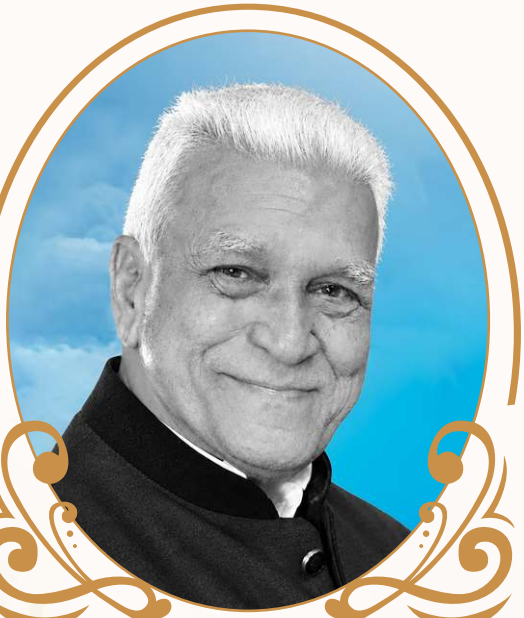

Key moments from the Bengaluru press meet, along with media coverage

A TRIBUTE TO SHRI JAGSHI KHIMJI SHAH

REMEMBERING A LIFE OF COMPASSION, WISDOM & SERVICE

The V-Trans family pays heartfelt tribute to Shri Jagshi Khimji Shah, fondly known as Jagshi Kaka, who passed away on 14 October. A beloved uncle to our Senior Directors and one of the founding members of V-Trans Group, he was a respected elder, mentor and guiding force whose wisdom, humility and compassionate nature touched countless lives. His contribution to the growth of the organisation and his enduring commitment to the well-being of others earned him immense respect and affection. A dedicated philanthropist, he supported several social and charitable institutions, including Songarh Ashram, Gujarati Club, Bidada Hospital, and various Panjrapoles and other charitable organisations.

Beyond his contributions to the Group, Shri Jagshi Khimji Shah inspired generations through his belief in giving back to society, caring for the underprivileged and extending kindness to animals. His life reflected the values of generosity, service and responsibility that continue to guide the V-Trans family. While his absence leaves a profound void, his teachings, values and legacy will remain a lasting source of inspiration for all who knew him. We remember him with deep respect, gratitude and affection, and will try to carry forward the path of service and compassion that he so beautifully exemplified.

SHRI JAGSHI KHIMJI SHAH

26/03/1938 - 14/10/26

INTERNAL HIGHLIGHTS

V-LOGIS SAMANVAY 3.0: LEADING TOGETHER, GROWING TOGETHER

At V-Logis, strong leadership begins with a shared purpose, accountability and collaboration. On 13 October 2026, V-Logis conducted Samanvay 3.0, a leadership development workshop for first- and second-line leaders, focused on strengthening teamwork, building trust, encouraging ownership and reinforcing a customer-first mindset.

The workshop was inaugurated by Mr. Rajesh Shah, Executive Director, V-Trans, Mr. Ronak Shah, Executive Director & CEO V-Logis, and led by Mr. Shiv Rawat, Group CHRO & VP – HR. Through interactive sessions and meaningful discussions, the workshop encouraged leaders to exchange perspectives, strengthen cross-functional relationships, take greater responsibility and align their efforts towards common business goals. It also highlighted the importance of collective leadership, mutual trust and individual accountability in building a collaborative work culture, improving team performance and driving sustainable organisational growth.

V-Logis Samanvay 3.0 Senior Leadership Address & Leadership Development Workshop

SALES KURUKSHETRA 2026: RETHINKING SALES STRATEGY TO DRIVE BUSINESS EXPANSION

Building on the focus on leadership, collaboration and customer-centricity, V-Logis organised Sales Kurukshetra 2026 on 14 October 2026 at the Sion Office, bringing together the Sales Team and colleagues from across functions to explore smarter sales strategies and business expansion opportunities.

Facilitated by Mr. Shiv Rawat, Group CHRO & VP – HR, the workshop drew inspiration from the Mahabharata to highlight the importance of strategic thinking, understanding customer needs and communicating value effectively. The session encouraged participants to strengthen cross-functional collaboration, adopt a customer-first approach and turn business opportunities into meaningful growth, reinforcing the importance of aligning sales efforts with V-Logis' broader business objectives.

Glimpses of Sales Kurukshetra 2026: Strategic Thinking, Customer-Centricity & Business Growth

INTERNAL HIGHLIGHTS

V-TRANS MAHARASHTRA ZONE SAMANVAY 2026:

Samanvay 2026 | Connecting Minds, Creating Magic

Learning is a continuous journey, and every shared experience brings an opportunity to grow. V-Trans (India) Ltd., Maharashtra Zone, hosted Samanvay 2026 on 24 October 2026, bringing leaders together for a day of learning, collaboration and fresh perspectives. The workshop was inaugurated by Mr. Rajesh Shah, Executive Director, in the presence of Mr. Nipun Gala, GM – Maharashtra Zone, and the Maharashtra Zone leadership team.

Our Senior Director, Mr. Rajesh Shah, Addresses Samanvay 2026

Mr. Shiv Rawat, Group CHRO & VP – HR, led sessions focused on leadership, innovation and teamwork. Centred on the theme "Connecting Minds, Creating Magic," the workshop encouraged participants to exchange perspectives, turn ideas into action and strengthen collaboration towards shared goals. The event reinforced the importance of collective learning, teamwork and a shared vision in driving organisational growth. Thanks to all our leaders and participants for making Samanvay 2026 a meaningful and enriching experience.

V-TRANS CONTINUES RETAIL OUTREACH DRIVE IN MUMBAI

Strengthening Customer Connect. Exploring New Opportunities.

As part of its ongoing retail outreach drive, V-Trans conducted an on-ground activity at the Chinchbunder Branch and nearby marketplaces in Mumbai. The Mumbai Regional Sales Team visited local retailers and businesses to introduce V-Trans' logistics solutions, understand their transportation needs and explore potential business opportunities. The initiative reflects the team's continued efforts to build stronger customer relationships, enhance local market engagement and expand V-Trans' retail presence across the region.

V-Trans Retail Outreach Drive at Chinchbunder, Mumbai

GROWING A GREENER FUTURE: 2,778 FRUIT-BEARING TREES PLANTED IN KUTCH

Supporting Local Livelihoods. Nurturing Nature.

As part of its ongoing ESG and sustainability efforts, V-Trans continues to drive initiatives that support environmental conservation and community development. In collaboration with SankalpTaru Foundation, the company recently planted 2,778 fruit-bearing trees in Kutch district, Gujarat. Once the trees begin bearing fruit, the harvests are expected to provide local farmers with regular source of income, while the growing trees will contribute to increased green cover and improved air quality over time. This initiative reflects V-Trans' continued commitment to nurturing nature, supporting local livelihoods and creating a more sustainable future for the communities it serves.
